

Central Health & Safety Services Ltd.

CERTIFICATE
OF
HEALTH & SAFETY STATEMENT

The Irish National Stud is committed to securing as far as is reasonably practicable the safety, health and welfare of all staff and visitors on its premises, by ensuring that the establishment complies with the Safety, Health & welfare at Work Act 1989.

It is their policy to protect all staff from potential hazards in the workplace by providing resources in the form of information, instruction, training and supervision, to ensure that they are made aware of their statutory responsibilities, and that all work practices meet the safety standards required by legislation.

This **Health and Safety Statement** is available for inspection, on request, to staff and interested parties. It is reviewed annually to take account of any changing circumstances.

CENTRAL HEALTH & SAFETY SERVICES LTD. are pleased to have assisted in the preparation of this Health and Safety Statement.
